Thanks again for meeting with us on May 23 with Administrator Pruitt. We appreciate the effort that you at EPA are putting into fixing the Waters of the U.S. rule and general regulatory reform.

We are having a meeting here in Washington at the Liaison Hotel and wondered if you would be available to speak on September 28. We realize that you may have limits in what you can speak on given the status of the WOTUS rulemaking, but it might be interesting for you to hear from our members with direct experience in obtaining 404 permits. Please let me know if you have availability.
